Social Media Do’s and Don’ts Checklist

Do’s:

Maintain a respectful and polite tone in all posts and comments.

Think before posting to ensure your content is appropriate and responsible.

Protect your privacy by adjusting account settings and limiting personal information.

Verify information before sharing to avoid spreading misinformation.

Use social media for learning, networking, and building a positive digital presence.

Don’ts:

Do not post offensive, abusive, or inappropriate content.

Avoid sharing fake news or unverified information.

Do not engage in online arguments or cyberbullying.

Avoid oversharing personal details like address, phone number, or passwords.

Do not post content that can harm your reputation or future career opportunities.
